# Booking and Reservation Procedure

## About Kalita Humphreys Theater

Located along Turtle Creek, the Kalita Humphreys Theater is an historic landmark in Dallas and provides optimal space for theater productions, concerts, recitals, recordings, lectures, meetings, and similar events. The Kalita was designed for Dallas Theater Center by the legendary architect Frank Lloyd Wright and opened in 1959. Today the building is owned by the City of Dallas and managed by Dallas Theater Center (DTC).

The Kalita Humphreys Theater includes various spaces available to rent for arts, cultural, and other events consistent with the purpose and goals of the facility. These guidelines set forth the procedures to be used for the advance reservation and booking of dates and spaces within Kalita Theater by both nonprofit and for-profit entities.

Requests for the use of the facility will be available through the Dallas Theater website, via an [online facility request form](#).

## Guiding Principles and Priorities

All efforts will be made to maximize the use of Kalita Humphreys Theater by providing as many organizations as feasible with dates for performances and accompanying rehearsals. The guiding principle is to provide access for as many diverse arts organizations as possible, thereby strengthening the cultural life of Dallas artists and audiences. The following guiding principles and prioritizations will be used to schedule the facility:

- Dallas-based non-profit theater companies that reflect the diversity and vibrancy of the cultural sector of our community will have priority access to scheduling the facility.
- Year-round access to a varied selection of arts and cultural programs that include music, dance, theater, film, video, workshops, master classes, lectures, etc.
- Effective use of the facility, both in terms of the days booked and the audiences that will be served.

Publicly accessible arts and culture programs will have priority over private events (galas) or corporate rentals.

## Right to Reserve Tier System

Kalita Humphreys Theater Campus is operated as a multi-user facility. A system of tiers has been devised to prioritize access to reserve calendar dates.

Tier 1 - Dallas Theater Center

Tier 2 - Uptown Players and Second Thought Theatre

Tier 3 – Non-Profit Arts Organizations

Tier 4- General Bookings

**Schedule Requests**

Requests to schedule events or activities at Kalita Humphreys Theater Campus may be submitted a maximum of 12 months in advance of the beginning of the season. Requests will be considered based on an organization’s Tier status.

### **Review of Schedule Requests Received by Priority Schedule Date**

Organizations may submit hold dates for events they wish to present at the Kalita Humphreys Theater Campus. In crafting their schedule request, the organization should include:

(a) load-in and load-out; (b) tech; (c) rehearsal; (d) performance dates & time(s), including audience ingress and egress; (e) post-event Q&A or other types of activity.

### **Criteria for Resolving Scheduling Conflicts**

If two or more organizations of the same tier request the same date(s), all efforts will be made to reach a resolution that is mutually satisfactory for all. If this is not achieved through alternate scheduling, staff will apply the following criteria to determine which organization's schedule request is approved:

- Diversity of programming at the Kalita Campus (BIPOC Arts Organizations) (35 points)
- Non-Profit Theater Companies with maximum utilization of the venue (bookings for two or more weeks will have priority) (25 points)
- Attendance (estimate of attendance at public performances/events; organization's attendance history in other locations will be considered) (25 points)
- Readiness of the organization to execute contract and pay deposit (15 points)

### **Date Challenges**

Once an organization, without priority, has a confirmed hold and prior to the payment of the deposit (the "Original Date Holder"), if a scheduling request is received from another organization (the "Challenging Organization"), the following challenge process will be used:

1. The Challenging Organization must submit the required deposit [50% of expenses] and execute the Rental Agreement, subject to the release of the dates from the Original Date Holder. [Please note that the Challenging Organization's deposit check will not be cashed immediately, but instead held by Dallas Theater Center until the challenge is resolved in the 72-hour (3 business days) period; if the challenge is not successful, the check will be returned to the Challenging Organization.]
2. DTC will contact the Original Date Holder to notify them of the date challenge; the Original Date Holder will have 72 hours (3 business days) to pay the appropriate deposit fee and execute the Facility Use Agreement.
3. If the Original Date Holder does not respond within the prescribed 72 (3 business days) hours, the dates will be released and contracted to the Challenging Organization.

4. If the Original Date Holder responds within the prescribed 72 hours (3 business days), the organization must (a) execute the Facility Use Agreement for the entire time period; and (b) provide the deposit to cover the entire time period covered in the Rental Agreement. In cases of a challenge, if the date is more than six months in advance of the event and the Original Date Holder is a priority organization, the deposit needed to retain the challenged date is 25%; for all other organizations, the customary 50% deposit will be required.
5. If the Original Date Holder or Successful Challenging Organization cancels the booking after the execution of the Facility Use Agreement and payment of the deposit, the full deposit amount will be forfeited.

In the event of multiple challenges received for the same date, please note that the challenges will be addressed in the order in which they were received (by date of receipt of the Challenging Organization's deposit and signed Facility Use Agreement). In the event that two organizations submit a challenge for the same date on the same date, priority will be given to the organization that reflects the diversity and vibrancy of the cultural sector of our community. Consistent with best practices in venue management, once a Facility Use Agreement is signed and the deposit is paid, the date is not subject to challenge.

**December (Holiday) Dates**

The Kalita Campus will be closed for rentals for one week at Christmas.

**Single Day Rentals**

In order to maximize the use of the space, it is anticipated that single day rentals may require flexibility to schedule. DTC staff will make all efforts to "match" single-day requests to allow for maximum utilization of the facilities; this may require that the "matched" organizations work with a shared light plot, have flexible rehearsal times, shared storage, and may impact the types of sets that can be used. For example, an organization requesting a Friday night rehearsal for a Saturday night performance may be asked to move the rehearsal to Thursday night and be "matched" by an organization that will perform on Friday night and rehearse on Wednesday night. Organizations interested in single day events are encouraged to consider applying for non-peak times or to partner with another organization.

**Multi-Day or Multi-Week Events**

Unless otherwise agreed to by the parties in a lease all of the following shall apply:

1. Organizations may book multi-day and multi-week events, with the understanding that DTC has the right to hold Single Day Events on the same day, without interruption to the organization.
2. Each day is a 12-hour block and the organization must vacate the venue prior to midnight.
3. Non- Performance and/or Dark Days may be utilized for Single Day Rentals.

4. During load-in, technical rehearsals, performances and strike a DTC technician may be required to be on site, scheduled in advance. Details will be included in the lease, and will include work calls that involve rigging, construction and/or the use of DTC theatrical equipment, as well as public performances/events.

If an organization decides to be partially dark during the time frame of reservation, the organization is still responsible for the entire base rate.

### **Facility Reservation Steps**

1. By the deadline for the appropriate Tier, submit the Facility Request form to the DTC Assistant General Manager, via FMX through the DTC Website.
2. The DTC Assistant General Manager will review all Facility Request Dates using the policies outlined in these procedures.
3. Dates will be placed as “holds” on the calendar and the organizations will be notified.
4. Based on the information in the Facility Request form, a Cost Estimate and Rental Agreement will be prepared and sent to the organization. DTC staff may need to discuss technical rider and program details with the organization to provide a rental and cost estimate for the event.
5. The Organization will have 10 days from the time of issuance to return the signed Facility Use Agreement with the deposit to confirm the reservation.
6. If the Organization does not return the signed Facility Use Agreement after the 10-day period, the date will remain in the calendar as a “hold” and will be open to challenges.
7. Facility Use Agreements that are not executed 120 days prior to the first day of the rental period shall be null and void; the date(s) will be released from any holds and will be available for other rentals.

### **Short-term Scheduling**

In the event that a reservation is requested for an event that is for a date closer than 30 days, the turnaround times for forms, signed agreements and payments will be determined at the sole discretion of the DTC.

**Periodic Review of the Reservation Procedures**

Kalita Humphreys Theater Booking and Reservation Procedure will be reviewed annually by DTC, in partnership with OAC. Revisions will be announced on or before December 1<sup>st</sup> each year.
